

# Evolution's Hoaxes

*"For every house is built by someone, but He who built all things is God."  
Hebrews 3:4 (New King James Version)*

Many \_\_\_\_\_ have been put forth to \_\_\_\_\_ the \_\_\_\_\_ of evolution.

## Some Famous Examples Of Evolutionary Hoaxes

A. Some hoaxes that attempted to prove evolution:

1. Ernst Haeckel presented \_\_\_\_\_ to show that the \_\_\_\_\_ of various animals (and even \_\_\_\_\_) were notably similar. But they weren't even close to being \_\_\_\_\_.
2. A \_\_\_\_\_ was found in 1922 that was supposedly evidence of the \_\_\_\_\_ Man. But it was soon shown to be from a \_\_\_\_\_. It did not prove man's descent from \_\_\_\_\_.
3. The \_\_\_\_\_ Man was based on a \_\_\_\_\_ found in England in 1912. For \_\_\_\_\_ years it appeared in textbooks as "proof" of evolution. But it was a \_\_\_\_\_.
4. In 1999 National Geographic presented proof of a creature that was part \_\_\_\_\_ and part \_\_\_\_\_. But the fossils had been \_\_\_\_\_ together from \_\_\_\_\_ pieces.

B. Wells: "The best-known \_\_\_\_\_ for Darwin's theory have been \_\_\_\_\_, distorted or even \_\_\_\_\_."

## The Biggest Hoax Of All

A. The question of missing links:

1. Should there not be \_\_\_\_\_ examples of "missing links"?
2. Gould: "... the fossil record contains precious \_\_\_\_\_ in the way of \_\_\_\_\_ forms."

B. Why this is a big deal:

1. Genesis 1:1 - The Bible claims that all has been \_\_\_\_\_.
2. John 1:1-3 - \_\_\_\_\_ was the agent of \_\_\_\_\_ for all that has been made - not \_\_\_\_\_.
3. Romans 1:18-22 - God's \_\_\_\_\_ attributes are \_\_\_\_\_ seen, being understood by the things that are \_\_\_\_\_.

C. Why evolution is a foolish alternative:

1. As CSI has taught us, we must \_\_\_\_\_ the \_\_\_\_\_.
2. Hebrews 3:4 - Every \_\_\_\_\_ is \_\_\_\_\_ by \_\_\_\_\_.  
Could an \_\_\_\_\_ in a \_\_\_\_\_ shop produce a \_\_\_\_\_?!

D. Psalm 100:3 - God \_\_\_\_\_ us; we didn't \_\_\_\_\_ Him!

2 Corinthians 4:3,4 - \_\_\_\_\_ tries hard to \_\_\_\_\_ us.
