

# God's Fingerprints

"I will praise You, for I am fearfully and wonderfully made; marvelous are Your works, and that my soul knows very well." Psalm 139:14 (NKJV)

Is all of this the result of a \_\_\_\_\_, or of \_\_\_\_\_ design?

## The Bible Claims That Compelling Evidence Exists

A. Can evidence for the existence of God be found?

1. Acts 14:15-17 - God \_\_\_\_\_ the heaven, the \_\_\_\_\_, the sea, etc. He did not leave Himself without \_\_\_\_\_.
2. Psalm 19:1-4 - The heavens \_\_\_\_\_ the \_\_\_\_\_ of \_\_\_\_\_. All \_\_\_\_\_ can understand their message.
3. Romans 1:20-22 - God's \_\_\_\_\_ attributes are \_\_\_\_\_ seen. People are without \_\_\_\_\_ who deny Him.

B. Ruskin: "Quality is \_\_\_\_\_ an \_\_\_\_\_; it is always the result of \_\_\_\_\_ effort." Doesn't this apply to \_\_\_\_\_?

## A Brief Survey Of Evidence That Points To God

A. **The cells of the human body:**

1. There are 100 \_\_\_\_\_ cells in our bodies, but they all started with \_\_\_\_\_! There are \_\_\_\_\_ different types.
2. Jackson: Cells are "astoundingly \_\_\_\_\_ ... bustling with \_\_\_\_\_." Does \_\_\_\_\_ explain these?

B. **The clotting ability of blood:**

1. Behe: Blood clotting "requires extreme \_\_\_\_\_". If it doesn't work, a small \_\_\_\_\_ leads to \_\_\_\_\_ of all the blood.
2. How did animals \_\_\_\_\_ if this ability had not yet \_\_\_\_\_?!

C. **DNA, the script for biological life:**

1. DNA is found in \_\_\_\_\_ human cell. The information in each is similar to \_\_\_\_\_ sets of the Encyclopedia Britannica, filling \_\_\_\_\_ feet of shelves!
2. Crick: "... the \_\_\_\_\_ of life appears at the moment to be almost a \_\_\_\_\_."

D. Evidence that even the blind can see:

1. John 9:30 - It's a \_\_\_\_\_ thing that you don't \_\_\_\_\_ where Jesus is \_\_\_\_\_!
2. Hebrews 3:4 - Yet many don't \_\_\_\_\_ where life is \_\_\_\_\_!
3. Psalm 139:14 - We are \_\_\_\_\_ and \_\_\_\_\_ made.

Peck: "... I began to see the \_\_\_\_\_ of God."
